What Our Clients Are Saying

We pride ourselves on quality work and happy customers.

"Prime Electrical was fantastic. The master electrician was professional, on-time, and did a flawless job on our panel upgrade. Highly recommend this family business!"

Sarah J.
Denver, CO

"They installed our EV charger quickly and for a fair price. The process was smooth from the initial quote to the final inspection. Great service!"

Mike R.
Aurora, CO

"As a contractor, I need reliable electricians. Prime Electrical is my go-to. They are licensed, insured, and their work is always top-notch. True professionals."

David Chen
Boulder, CO
